1. Organizational Commitment

Gymnastics Canada is committed to being a leader in Canada and abroad in providing a safe, healthy, and inclusive gymnastics environment for all individuals. Participants in Gymnastics Canada programs and activities, including athletes, coaches, judges, sport administrators, parents/guardians, volunteers, and others should be able to engage in a positive sport environment free of abuse, discrimination, and potential harm. As a primarily youth serving organization, Gymnastics Canada has a special responsibility to develop standards and mechanisms to help safeguard the children and youth in its programs and activities; however, it is imperative to safeguard and support the welfare of all participants in order to achieve an optimal Safe Sport environment.

Facilitating a Safe Sport environment is the collective responsibility of all individuals involved in the gymnastics community. Gymnastics Canada will work collaboratively with international, national, provincial and territorial federations and external organizations to build, advance, and administer Safe Sport policies, education, and advocacy initiatives. Further, Gymnastics Canada will work with our provincial and territorial members to build Safe Sport policy and delivery alignment.

2. Safe Sport Principles

Creating and fostering a Safe Sport environment and culture is paramount in the administration and delivery of all gymnastics programs in Canada and throughout international participation by Gymnastics Canada and its members. All participants of Gymnastics Canada will:

6. Strive to create joyful, positive, and growth-enhancing sport experiences.
7. Advocate for safe sport environments on local, national, and international stages.

We will cultivate, uphold, live, and measure these Safe Sport principles through:

1. Establishment, oversight, and continuous updating of policies, procedures, and best practice guidelines that are robust, clear, and accessible.
2. Consistent enforcement of the ensuing policies, procedures, and best practice guidelines through all levels of the gymnastics community in Canada.

*If there are any groups omitted from this list, please advise Gymnastics Canada and the list will be amended, if appropriate.

5. Active promotion of our Safe Sport commitment throughout all Gymnastics Canada programs, interactions, activities, and events.
