1.0 INTRODUCTION

The purpose of this document is to set out the process and criteria that will be used by the Men's Artistic Gymnastics (MAG) Program of Gymnastics Canada to select athletes and coaches to the 2018 Commonwealth Games, with the goal of selecting the best possible gymnasts to help meet the objectives of the program.

1.1 OBJECTIVES

The objective of this selection process and procedures is to select the best possible delegation for these championships that will be capable of achieving the following targets:

- Place top-3 as a team;
- One athlete in top-6 All-Around (AA);
- Win at least one gold medal and at least three medals in apparatus finals;
- Have at least one finalist in every apparatus final.

Consideration will be given to ensuring that at least one athlete competes on six apparatus in the qualifications, and is therefore eligible for the AA final.

1.2 DELEGATION SIZE AND FINANCIAL CONSIDERATIONS

The Canadian MAG Team will be composed of:

- 5 travelling athletes;
- 2 team coaches, with a possible 3rd coach to be confirmed pending Commonwealth Games Canada's decision additional accreditations;
- The team competition format is 5, 4, 3.

Travel, meals, accommodation, and clothing expenses will be covered by the agreement between Gymnastics Canada and Commonwealth Games Canada (CGC). There will not be an athlete fee charged for participation.

CGC will provide medical and therapy service through their Health Care Team while onsite at the games. A MAG program therapist will be with the team for the training camp in Calgary, but may not be travelling with the team to the Games. The Organizing Committee (OC) has invited Canada to nominate two judges whose expenses will be covered by the OC.

The team will be expected to participate in the UCIC training camp and compete at the UCIC competition. The team will depart from Calgary for the Games.

2.0 DECISION MAKING AUTHORITY

The Program Manager- Men's Artistic Gymnastics (PM-MAG) and the MAG National Team Director (NTD), in consultation with the High-Performance Director and Men's Program Committee (MPC) are responsible for developing and approving the selection process and procedures for the Commonwealth Games. The final process incorporates feedback submitted during a period of consultation prior to its final publication.

The selection of the athletes and coaches will be the responsibility of the MAG Selection Working Group (SWG). The Working Group will be comprised of:

- Program Manager – Men's Artistic Gymnastics (PM-MAG) (Chair) – Non-voting;
- MAG National Team Director (NTD);
- MPC appointed coach representative;
- Judge's Development Working Group (JDWG) appointed Brevet judge.

NT coaches with athletes being considered for selection will not be eligible for membership on the SWG due to conflict of interest.

3.0 ELIGIBILITY

The athlete will be eligible for selection to the Team provided that:

- they are a Canadian Citizen and have a passport that is valid until at least the end of October 2018;
- they are born in 2000 or before;
- they are a Senior NT athlete in 2018 or a former Canadian National Team member currently training and competing for an American University and registered with a Canadian club;
- they are in compliance with all relevant FIG requirements for eligibility including possessing a valid FIG license with an expiry date no earlier than June 1, 2018;
- they, and their coaches, have signed the Commitment form. The form must arrive at the National Office to the attention of the PM-MAG no later than **Dec 6, 2017**.

A coach will be eligible for selection provided that they:

- are the coach associated with the athlete on a regular basis and have coached them at the 2018 Elite Canada competition;
- have signed the Coach Commitment form. The form must arrive at the National Office no later than **Dec 6, 2017**. The form states, among others, that:
- the coach has read, understood, and accepted the selection process and the conditions associated with the selection for this competition;
- the coach will fully take part in all planned activities related to these Games unless exempted by the NTD MAG and in all GCG promotional activities associated with these activities unless exempted by the NTD MAG;
- the coach will abide by all GCG policy and procedures and its code of ethics.
- is certified NCCP L4 or has obtained an exemption from the PM MAG;
- is a coach in good standing with GCG.

4.0 SELECTION PROCESS

The selection process has been developed to select the athletes with the greatest potential to meet the stated objectives. Demonstrated potential will be assessed based on model trainings and results obtained at senior domestic and FIG international competitions between May 1, 2017 and February 28, 2018. Results obtained at previous World Championships in 2017 and 2017 World/Challenge Cup competitions will be considered as additional indicators of demonstrated potential. As with standard GCG team selection criteria, evaluation for selection is ongoing and may use historical results.

The athletes will be selected by the Selection Working Group (SWG) for the Commonwealth Games prior to the final deadline for team nomination to the Commonwealth Games based on the following criteria:

Priority 1: demonstrated ability to contribute to the team achieving a score that will place them in the top-3;

Priority 2: demonstrated ability to win a medal in the all-around or on an apparatus;

Priority 3: demonstrated ability to make all-around or apparatus finals.

Demonstrated ability is based on proven success in competitions of a similar calibre and a comparison of current results against recent and available competition results from leading countries relative to the competition, and as compared against annual NT targets set for international competitions. Past international competition experience is an advantage.

An athlete being identified by the above does not guarantee selection to the team. The Selection Working Group will analyze the results from the identified athletes to select the complete team with the greatest potential to meet the stated objectives. This analysis will include the development of the best potential team scores, predicted scores for each athlete, and will consider the following (and potentially additional) factors:

- Frequency of obtaining the highest scores (having more occurrences is more important);
- Date of competition (more recent is more important);
- Number of athletes that can participate on each apparatus (balance of team)
- Ability to perform their personal best under pressure as demonstrated in competition and model trainings;
- Current health status of the athlete and their recent injury history.

To be considered, an injured athlete must provide a medical certificate that states that the athlete has returned to full training by **January 10, 2018**.

4.1 RESERVE ATHLETES

The SWG may identify reserve athletes for the Commonwealth Games team although there is no obligation to name a reserve. The reserve, or reserves, will be identified based on the criteria used for the selection of the athletes on the team, and will be named at the discretion of the SWG. The nomination of a reserve may take place at a later date than the team selection.

The reserve athlete will not have the status, privileges, and obligations of a team athlete and is not anticipated to travel with the team to the Games or pre-Games training camp.

4.2 ATHLETE VERIFICATION

Verification of athletes will be on-going after **February 28th, 2018**. Specific dates, locations, and means of verification will be at the prerogative of the MAG NTD, and will be arranged when deemed necessary.

At the time of verification, the athlete must not be injured or ill, in a way which prevents them from continuing a training program at the level expected of an athlete preparing for the Commonwealth Games. They must perform their usual routines with full difficulty (at a minimum, the level of difficulty that was demonstrated during the 2017 Canadian Championships and/or 2018 Elite Canada as determined by the SWG) in a simulated competition environment in line with FIG equipment standards. At the discretion of the NTD, modified landing mats may be permitted during a verification.

If an athlete cannot participate in a competition due to injury, or other unforeseen circumstance, then the NTD, in consultation with the SWG, will determine if a substitution should be made. If it is decided that the athlete should be replaced, the coaching staff, team manager, or the PM-MAG will submit the official request for change.

The NTD-MAG may substitute an athlete if, following the verification, or at any time up to the date of departure:

- the athlete is unable to meet the expectations stated for the verification; and/or
- they omit to provide the required information in case of illness or injury as per the deadline stated in the section above.

4.3 ATHLETE SUBSTITUTION

Following the athlete selection the following conditions must be met as of February 28, 2018:

- the athlete is still eligible for selection; and
- the athlete is healthy and able to compete, and
- the athlete is able to perform, at the time of a verification, at the level that warranted their selection; and
- the athlete is successfully verified according to the process described in 4.2.

The NTD has the authority to exercise their discretion in the case of an athlete who is slightly injured. Failure to meet one of the above conditions as assessed by the NTD may result in the athlete being replaced by a reserve.

If based on the above, an athlete cannot participate in a competition due to injury or other unforeseen circumstance then the NTD, in consultation with the team coach(es), the personal coaches, and the PM-MAG and/or HPD, will determine if a substitute or reserve member of the team should replace that athlete. If time permits, and it is deemed to be beneficial for the team a change will be made to the official coaching staff for the team.

4.4 DETERMINATION OF ATHLETE'S COMPETITIVE APPARATUS AND START ORDER

Determination of the athletes' competitive apparatus and start order is ongoing until the deadline to submit, and is not determined at the time of selection. The results used for the team selection as well as those obtained in athlete verifications and model trainings will be used to determine which gymnasts will compete on each apparatus to generate the maximum possible team score.

The NTD will consult with the team coach(es) in deciding the start order. However, the final decision is the sole responsibility of the NTD.

As per FIG regulations, the competing team and order of competition on each event shall be decided no later than 24 hours prior to the competition.

4.5 INJURIES

An athlete injured or ill at any time leading up to the selection, or once the team has been selected, must provide an official medical report/certificate to the PM-MAG as set out below. Failure to do so may result in the athlete's name being withdrawn from the process or team.

Step 1. The athlete and their club's head coach must inform the PM-MAG by email, with acknowledgement or a read receipt from the PM-MAG **within 24 hours**, if their athlete is injured or ill in a way to jeopardize their participation or the quality of their performances at either competition and provide the following information:

- date when the injury/illness occurred;
- means taken to have the injury/illness evaluated by a physician or specialist;
- date at which a written detailed report will be provided.

Step 2. The athlete and their club's head coach must provide the following typewritten information **within 5 days following step 1:**

- detailed nature of the injury (documented by physician, not by therapist) including whether or not this is a new, overuse, or chronic injury;
- ability to pursue full training and to compete (all apparatus/some apparatus), as recommended by the physician or medical specialist;
- recovery/rehabilitation measures;
- recommendation(s) regarding pursuing training and ability to train and/or compete as expected;
- expected date for return to partial (specify) and complete training.

The coach must provide a written report stating the nature and the amount of training the athlete will do **each week** for the next four weeks.

If requested by the MAG NT Director, the coach must provide an updated training plan for the next four weeks.

The SWG reserves the right to have the athlete examined by a physician or medical specialist selected by the SWG at the expense of the athlete and by the timelines set by the SWG.

5.0 SELECTION OF COACHES

5.1 SELECTION

The SWG will confirm the selection of the coaches at the same time as the athletes. Coaches must meet the eligibility as set out above and the requirements set out within the National Team Handbook. **The NTD will be the Head Coach of the MAG delegation.**

5.2 SUBSTITUTION OF A COACH

Substitution of a coach with another coach may take place if one of the following situations occurs:

- a coach no longer has an athlete on the team;
- a coach is not meeting the expectations associated with the roles, responsibilities, and tasks of a coach as assessed by the MAG NT Director and the PM-MAG;
- a coach has missed scheduled activities - including meetings and related GCG promotional activities - during the preparation camps unless exempted by the MAG NT Director and/or the PM-MAG.

Substitution is possible within the parameters set by the FIG and GCG.

6.0 ANNOUNCEMENT OF SELECTION OF ATHLETES AND COACHES

The official announcement of team selection is the responsibility of Gymnastics Canada. All internal verbal or written communication to athletes, coaches, or member associations regarding team selection is considered an “unofficial notice” and is NOT for public distribution. Official notice of team selection occurs when GCG provides a formal public “release” announcing the team selection, or when GCG partners with a multi-sport organisation (i.e.: Canadian Olympic Committee, Commonwealth Games Canada, U Sport) to formally announce a team.

7.0 RECONSIDERATION, INTERNAL REVIEW, OR APPEAL AND MODIFICATION TO THE PROCESS

7.1 RECONSIDERATION

An athlete who is in disagreement with a decision made in the application of the process may request reconsideration by the SWG. The request must be made in writing no more than two working days from the day of circulation of the decision. It must include the rationale supporting the request and the alleged errors in the application of the process. The SWG will then review the request and make a decision. The MAG NTD shall give written reasons for the decision to the athlete within two working days from receipt of the written request.

Coaches and athletes agree to abide by the decisions made once the reconsideration period or process has passed to ensure a positive team atmosphere.

7.2 INTERNAL REVIEW/APPEAL:

A request for review or appeal will be dealt with according to Section 39 – Appeals of the GCG Policies and Procedures Manual in effect at the time of the dispute. The request must be made no more than two working days from the day of announcement of the list of athletes and coaches who have been selected, or two days following the decision rendered as a result of a request for reconsideration as set out in 7.1. It must include the rationale supporting the request and the alleged errors in the application of the process.

7.3 MODIFICATION TO THE PROCESS

The NTD reserves the right to make changes to this document to ensure the identification of the best delegation possible for the 2018 Commonwealth Games in case of:

- major change to the information provided by FIG;
- injuries to several athletes of the selection pool;
- unforeseen circumstances beyond the control of GCG;
- a situation which impacts any step of the selection process and prevents the NTD and SWG from fairly applying the process as written. The NTD may take into consideration any factor or circumstance they deem relevant.

Any changes to this document must be endorsed by the High-Performance Director or President/CEO of Gymnastics Canada and will be communicated directly to the coaches and athletes involved in the process.

8.0 DISCIPLINARY PROCEDURES

Failure to comply with FIG and/or GCG rules, regulations, policies, or directives will be addressed by the GCG MAG NTD and/or the GCG High Performance Director (HPD) who will follow with proper action or sanction before, during and/or after the competition.

The nature and extent of the infraction will determine the severity of the sanction. In each case, a due and fair investigation will be conducted and an opportunity for defense offered to the respondent(s).

Sanctions could include but are not limited to: verbal warning or reprimand, written warning or reprimand, suspension from some team functions or activities during the competition, and early return to Canada.

After the competition, sanctions could include but are not limited to: written warning, written reprimand, suspension of international representation/ participation on behalf of Canada, National Team benefits and services, and suspension of access to athlete or coaching or judging support funding and services including but not limited to athlete, coach and/or club funds, coach's recognition funding, and international achievement coach's recognition funding.

9.0 UNFORESEEN CIRCUMSTANCES

In situations where unforeseen circumstances do not allow the Team selection criteria to be fairly and objectively applied, Gymnastics Canada's MAG NTD and the GCG High Performance Director or President/CEO will rule on an appropriate course of action. In any case of discrepancies between the English and French versions of this document, the English version will take precedence.
