3.0 NATIONAL TEAM SELECTION

The number of athletes named to the National Team may vary from year to year.

The National Team List is published following Canadian Championships and Elite Canada. The status of National Team athlete is normally valid for the period stated on the list. However, athletes may from time to time be removed or added to the NT list according to the process stated below in this document. The name of an athlete who retired during the gymnastic year is deleted from the NT ranking list.

An exception to any of the above statements may be made for special circumstances by the National Team Director.

3.4 ESPOIR STATUS

Espoir is an earned status for gymnasts who are currently on a watch list for one of the above National Teams. It is expected that an Espoir gymnast would be promoted to the National Team within six (6) months of becoming Espoir. An Espoir gymnast may be asked to represent Canada on a self-funded basis. An Espoir gymnast may also be invited to any National Team camps on a self-funded basis.

4.0 CONFIRMATION OF NATIONAL TEAM STATUS

National Team status is conditional to National Team agreements arriving at the GCG office by the set deadline. The rationale for all NT nominations must be submitted by the NTD to the PD-AG before they are made official.

4.1 REQUEST FOR CONSIDERATION

Following the distribution of the NT list, a coach may submit a request for consideration of an athlete who they believe deserves to be named to the National Team. Such a request for consideration will require justification for the athlete based on the performance expectations set out for the athlete's level for the current year. Such requests will be reviewed by the PD-AG, NTD and the JRNT Coach within two weeks of the request.

5.0 CHANGE IN STATUS

The status may be withdrawn, suspended, placed on hold or the athlete placed on probation, by the National Team Director at any time if the athlete:

- is no longer eligible or is no longer carded;
- leaves the National Team program to compete for an education institution in the USA
- is no longer performing at the level or training in the environment which warranted selection on the National Team;

- does not abide by:
 - a) the GCG Code of Ethics, Code of Conduct and Harassment Policy;
 - b) the FIG, Sport Canada, COC, CCES and GCG/WAG policies, regulations and directives.

The process which may lead to an athlete being placed on probation or the status of NT member withdrawn may include the following steps:

- a discussion with the athlete and her coaches;
- a letter sent by the National Team Director to the athlete and her coaches stating issues or concerns including the rationale for such evaluation, the expected improvements and the final evaluation process;
- a final evaluation conducted by the National Team Director according to terms set;
- the final findings and consequences communicated by the National Team Director to the athlete and her coaches in writing.

Depending on the nature of the problem or failure, it is not mandatory for the National Team Director to follow every step.
