Canadian Championships in Acrobatic Gymnastics

The Canadian Championships in Acrobatic Gymnastics (ACRO) is a four-day national event held at the beginning of June annually. The 2019 inaugural event hosted 124 athletes, 24 coaches/support staff and 10 judges.

Acrobatic gymnastics favors body control in various positions, both on the ground and in the air. Acrobatics is practiced as men's, women's or mixed pairs, as women's groups (3 gymnasts) or as men's groups (4 gymnasts). The exercises must include a harmonious combination of choreography, collective acrobatic elements (holds, throws, catches), and individual acrobatic elements (floor acrobatic series), all in perfect synchronization. The purpose of this event is to declare national champions in all categories and promote and celebrate acrobatics gymnastics in Canada.

Internet connection: a dedicated internet line of at least 15Mbps is required to run the webcast and scoring systems.

Parking: 500+ (free if possible).
