### ATHLETES, PARENTS & COACHES

In lieu of individual consent/waiver forms it is inferred that by registering and paying for your athletes the parent(s) of the registered athletes are consenting to have their child participate in the 2018 Key City Classic and that in the event of an emergency they authorize medical treatment as required.

It is understood that whenever possible the parent will be contacted and informed of the problem/treatment and diagnosis. The parent(s) understand that Certified First Aid Attendants will be present and available during all competition times and that all possible safety precautions will be taken by Key City Gymnastics Club and our volunteers to keep competitors safe.

However, in consideration of the registration and payment for registration for the 2018 Key City Classic the parent(s) waive and release all rights and claims for damages which they may have or which may hereafter accrue to them against Key City Gymnastics Club, the owners and/or operators of the facility in which the said invitational is being held, and any of their employees, agents, or assigns in respect to injuries which the athlete sustains in the course of participation in the said invitational including activities not directly related to competing therein, and travel to or from the said facility.

In addition, in lieu of individual Freedom of Information and Protection of Privacy Act forms this year it is also inferred that by registering and paying for your athletes that the parent(s) of the athletes are consenting to allow sounds and images (video and still) pictures to be published or aired in a variety of locations, including audio tapings on television, radio and newspaper, as well as Key City Gymnastics Club's website and publications.
