It is understood that the abovementioned list includes senior, junior and age group competitions.

4. OTHER EVENTS WHICH MAY BE APPROVED BY THE FIG

FIG Member Federations and Continental Unions have the possibility to request approval from the FIG for all other International Competitions.

These events must fulfil the same requirements as defined in Art. 2. "Duties of the organising Union, or Member Federation of an FIG Approved Event"

5. EVENTS NOT SANCTIONED BY THE FIG

The events organised without having been sanctioned by the FIG or not subject to FIG sanctioning shall not benefit from any rights or advantages resulting from these FIG Rules.

Thus, such events shall not use the FIG logo or services.

6. PROCEDURE TO APPROVE EVENTS

All events as defined here above must be announced to the FIG as soon as possible, but at least 6 months prior to the beginning of the event.

These requests for approval of an event can only be made by the Organising Member Federation by filling in the online form to be found on the [FIG database](#) and by adding the official directives' template "FIG Form for the Request of Sanction of an Event", .

In addition, for Artistic Gymnastics events, a separate apparatus list must be duly completed.

All directives templates and forms can be obtained from the FIG Secretariat as well as on the [FIG administration](#) platform.

The minimum information required are mentioned in the directives templates and forms.

7. FIG APPROVAL

FIG shall consider the competitions within 14 days upon request made from the FIG member Federation on the FIG database platform.

The requested competitions can only be considered as "FIG Approved" once this is confirmed in writing by FIG and published on the FIG calendar.

Changes in the given information must be submitted in writing to the FIG, which will be subject to approval. The FIG will provide written notification upon approval of requested changes. The Organizing Member federation will be responsible for informing all parties concerned of the approved changes.

8. SANCTIONS

Failure to announce events shall lead to possible sanctions from the FIG Disciplinary Commission.

In case of failure to fulfil the criteria for sanctioning (recognizing) at an event listed in the calendar (by the organising member federation or the LOC), the Organising member federation will be informed in writing by the Secretary General about the non-respect of the rules. This can lead to possible sanction from the FIG Disciplinary Commission and/or result in refusing the recognition for the same event the next time the federation request sanctioning.

Further actions for violation of the rules may be engaged by the Secretary General in consultation with the President,

Failure to provide the FIG secretariat with the necessary documents (results including detailed judges' scores and complete list of active judges) within 3 days after the event will lead to a reminder sent by the FIG secretariat to the hosting federation.

If, after 5 additional days, the necessary documents have still not been received at the FIG secretariat in the correct format, this event will no longer be considered as an FIG approved event and therefore will not appear on the FIG website anymore. An official notification will be made to the hosting federation in such cases.

The fee for organizing an international event, as mentioned in the Art 11.6.2 of the current valid version of the TR remains nevertheless valid.

These FIG Rules for Sanctioning (approval) of International Events, drafted and approved by the FIG Executive Committee in February 2011, were updated in July 2017.

They enter into force 1st August 2017.
