General Principles of Participation at the 2017 WAGC

- A. The ranking list as outlined above will be drawn using the following policy:
In all age groups, the last athlete may be nominated by the High Performance Director in consultation with the Event Advisors considering their projected ability to achieve one or more of the following performance objectives at the WAGC:
- Win an individual medal;
 - Rank in the top eight (8) and qualify to Finals.

Assessment of the ability or projected contribution will include reference to ranking and scores achieved at the following events:

- Current National Team Trials including finals;
- Previous WAGC;
- Previous international competitions.

The calibre and field of competitors will be considered when weighing the relevance of results, as will the date of competition. Demonstrated professional attitude and ability to positively contribute to the team dynamic may also be considered.

If no athlete can fulfill the above criteria to be nominated by the High Performance Director, then the last athlete with the highest score per event will be selected.

- B. Ties will be broken using the following procedure:
- i) The athlete with the highest national competitive category from which their counting score was earned. Priorities of categories will be ranked in the following order:
 - 13-14: Junior then Espoir;
 - 15-16: Junior then Espoir;
 - 17-21: Senior then Junior then Espoir.
 - ii) If there is still a tie, then the athlete with the highest score earned at the latest selection event (2017 Canadian Championships) will be ranked higher.
 - iii) If there is still a tie, then the athlete with the single highest score earned at either selection event will be ranked higher.
 - iv) If there is still a tie, then the High Performance Director will break the tie.
- C. Alternates (athletes with the next highest score per event) will be named to replace any athletes who must or choose to withdraw after being named to the WAGC Team or in case of an injury. Athletes can only be considered as an alternate if they had submitted the original deposit and met the qualifying score on that event. No alternate will be allowed to travel as a member of the WAGC Team.

Selection Procedure: Coaches

1. **Coach Application Requirements:** The following information and documents are required to be submitted to Gymnastics Canada by May 14, 2017 (date of receipt at Gymnastics Canada or given to Dillon Richardson at Canada Cup) for each coach wishing to be considered for the 2017 World Age Group Competition Team (late registrations are accepted; outlined in the Selection Procedure - Athletes, item 2):
 - i) Submission of complete Application, Personal Information and Uniform Sizing via Gymnastics Canada's Online Portal, available through the following link: <https://uwindsor.fluidsurveys.com/s/gymcan-tg-2017-wagc/>
 - ii) Submission of payment information/commitment of first deposit of \$250.00 CAD made either by cheque or credit card (a second deposit commitment of \$1,500.00 CAD will be required either by cheque or credit card by July 21, 2017). The deposits will not be processed/cashed until a later date, as per the calendar of payment (Selection Procedure – Athletes, item 2);
 - iii) Scanned copy of current, valid Canadian passport must be submitted through the Gymnastics Canada's Online Portal; a passport valid until at least June 30th, 2018 is required to be submitted by July 30, 2017;
 - iv) Recent accreditation style head shot photograph submitted through GCG Online Portal.

If the coach is named as a funded Team Coach then the \$250.00 CAD deposit will be cashed; if the coach is not named as a funded Team Coach then both deposits will be cashed.

2. **Coach Registration Limits, Team Coaches and Field of Play Access:** A total of up to twelve (12) coaches can be accredited for the WAGC; this will be allocated on a pro rata basis determined by the number of athletes attending in each discipline, as per FIG Regulations. However, a maximum of 4 coaches (2 in TRA, 1 in DMT and 1 in TUM) will be eligible for funding, depending on funding availability. Any remaining coach accreditations will be allocated based on coach ranking points to personal coaches willing to assist the Team Coaches on a self-funded basis. According to FIG Accreditation Rules, accreditation of additional coaches beyond twelve (12) is not permitted and therefore, any additional personal coaches attending are doing so under the assumption that they will not have access to either the training gym or the competition gym. Access to the training gym will be totally dependent on the security in place by the Local Organizing Committee, as per the Accreditation Rules only accredited persons may enter. Additionally access to the field of play is limited to transferable access cards allocated pro rata by the number of athletes attending in each disciplines. Personal coaches with coach accreditation may not necessarily have access to the field of play when their athlete(s) is/are competing.
3. **Coach Selection:** Team Coaches and Personal Coaches are selected using the following procedures:
 - i) Coaches must be certified at a minimum of NCCP Level 3 and be enrolled and have credits in Level 4. Trampoline and Double Mini-Trampoline coaches must be certified in Trampoline, while Tumbling coaches can hold certification in either Trampoline or Artistic Gymnastics. No exemptions will be allowed.
 - ii) For each discipline, **only** athletes who **have submitted interest and their application for the WAGC Team** will be assigned points to their club based on their ranking on the WAGC Team Ranking List (**regardless of intent to participate**) based on the following:
 - 1st Place: 4 Points
 - 2nd Place: 3 Points
 - 3rd Place: 2 Points
 - 4th Place: 1 Point

Points for Trampoline will include both Individual and Synchronized Trampoline combined.

Where there are less than four (4) athletes on the ranking list in a particular age category and event who have met the qualifying scores, the point allocation per placing will be reduced accordingly.

- iii) If there is a tie, the coach with the highest placing athlete will be named. If a tie still occurs, the choice goes to the second highest placing athlete, continuing down to sixth if necessary. If there is still a tie, then consideration will be given to the ranking of athletes coached by each coach who have been named to the WAGC Team on a different discipline.
- iv) The WAGC Team Coaches will be allocated by club and not by individual coach. The Trampoline Program Committee must ratify the name selected by the club and will not consider someone who has not been a coach in at least one (1) Canadian Championships or Canada Cup. **Points earned by an athlete who is selected to the World Championships Team will not count.**
- v) **Clubs that qualify a Team Coach in more than one (1) discipline can send one (1) coach per discipline provided the appropriate number of deposits has been submitted. If a second (2nd) coach is not provided from that club, then**

2017 WAGC TEAM: SELECTION PROCEDURE

the club decides for which discipline it wishes a coach to be accredited. The next club on the list for the other discipline will then be provided the opportunity to accredit a coach (if they have submitted a deposit).

- vi) At least one (1) of the named Team Coaches must have coached at a previous WAGC. If none of the coaches who would have been named a Team Coach using the above process has coached at a previous WAGC, then the Team Coach nomination will go to the next ranked coach who has coached at a past WAGC; otherwise, the nominated coaches will be decided by the High Performance Director and ratified by the Trampoline Program Committee.
- vii) One (1) of the Event Head Coaches will be assigned by Gymnastics Canada as the overall WAGC Team Coach.
- viii) Coaches will be required to sign abide by the Code of Conduct, Coaches Code of Ethics and Job Description, as well as provide a current, clean Police Records Check.
