# 4. Participation Costs

#### 4.1 Basic Costs

The 2017 Summer Universiade is a self-funded event for all athletes and coaches. A description of projected costs and a payment schedule is provided in Appendix 1. Note that that numbers are not final, and may vary due to currency variations, or other factors, beyond the control of GCG.

#### 4.2 Additional Costs

All international judges are nominated by FIG. Participating countries must participate in covering the cost (travel, accommodation, full board and a per diem according to the FISU-FIG partnerships agreement) of the international judges from FIG (cd. Art. 11.10) according to the pro-rata of athletes registered. The judges' costs that are assigned to GCG by FIG-FISU will be divided equally between the named gymnasts on the team and invoiced as part of the self-funded expenses.

The ITO contribution fees agreed upon with the Taipei Organizing Committee is 310 euro/athlete which will covered by GCG. These fees must be paid by the Head of Delegation, or equivalent, during the accreditation process upon arrival at the Athletes Village.

#### 5. Athlete Selection Process

Eligible athletes are those individuals who have confirmed their intent by email to the GCG National Team Director with their \$200 deposit no later than Tuesday, March 14 2017.

Athlete selection will be based on the total All Around results from 2017 Elite Canada Competition A + B (8 routines) valued at 35% plus the 2017 Canadian Championships A + B (8 routines) valued at 65%. Note: If injured for Elite Canada a Medical Form from a Sport Medical Doctor is required and results will be used from the 2016 Canadian Championships minus 5%.

If gymnasts are tied following the National Team ranking process, the Difficulty (D) score for each apparatus from the 2017 Canadian Championships will be used to differentiate between gymnasts. The gymnast with the highest Difficulty (D) score will be ranked above a gymnast with a lower D score, where overall scores are equal.

The chart below indicates how points will be awarded based on Difficulty scores for each apparatus.

Hoop D	<b>Hoop Points</b>	Ball D	Ball Points	Club D	<b>Club Points</b>	Ribbon D	Ribbon Points
1	3	1	3	1	3	1	3
2	2	2	2	2	2	2	2
3	1	3	1	3	1	3	1

#### Selection of the Reserve Athlete

One eligible reserve gymnast will be identified. Selection of the reserve gymnast will follow the same process, and the third ranked All Around gymnast will be the reserve. The reserve gymnast will not travel to the Games.

The analysis of results and team selection will be done at the conclusion of 2017 Canadian Championships. The NTD will announce the team members and reserve athlete by June 1 2017 (7 business days following Canadian Championships).

#### 6. Coach Selection Process

The coach must be certified NCCP Level 3 or above in Rhythmic Gymnastics. Exemption requests for this requirement will not be permitted by GCG.

The named personal coach for the athlete with the highest total points from the combined AA results from Elite Canada (Competition A + B) 35% and Canadian Championships (Competition A + B) 65% will be selected as the Team Coach.

Note: If their athlete is injured for Elite Canada, a Medical Form from a Sport Medical Doctor is required and results will be used from the 2016 Canadian Championships minus 5%.

GCG will identify the Team Coach as the Team Leader for onsite communication with USports Canada.

The named personal coach of the second ranked athlete will be identified as the alternate Team Coach. The alternate Team Coach will not travel to the Games.

Expectations for Team Coach:

- Provide support to both gymnasts and to work together as a collaborative team.
- Travel with the athletes to and from Taipei.
- Complete a final report of the competition and provide a full set of results to GCG and USports Canada no later than September 15 2017.

#### 7. Inability to Compete due to Injury or Other Unforeseen Circumstance

In the case of injury or illness, the reserve athlete will only replace another athlete if the injury or illness occurs prior to departure to Taiwan. If an injury or illness occurs after departure, the team will compete with only the remaining athlete.

After the team has departed Canada, the decision to remove a gymnast from the competition will be based on the following considerations:

- the nature of the injury or sickness, and:
- the possibility of continuing training or competition on-site without the risk of aggravating the injury/sickness or incurring an injury;
- the possible short and long term consequences on the athlete's health and wellbeing if training/competition is pursued.

The performance objectives set for the event NEVER take precedent over the wellbeing of the athlete and are never used as a justification to maintain, in training or competition, an athlete that should be removed.

A recommendation or decision by the Canadian Universiade core medical team to remove an athlete from training or competition is always abided by.

If the Canadian Universiade core medical team personnel do not deem removal necessary, the final decision to remove an athlete from training or competition will be taken by the named coach based on

the evidence provided by the local medical personnel and after consultation with the athlete. In case of disagreement, the NTD, following consultation with the coach and athlete, will make the decision.

#### 8. Reconsideration, Internal Review or Appeal and Modification to the Process

8.1 Reconsideration, Internal Review or Appeal

Reconsideration: an athlete who is in disagreement with a decision made in the application of the process may request reconsideration.

#### 8.2 Modification to the Process

GCG reserves the right to make changes to this documents in case of:

- major changes to the information provided by the FIG, FISU or USports Canada
- injuries to athletes on the short list
- unforeseen circumstances beyond the control of GCG
- an exceptional situation which has a significant impact on any step of the selection process
  which will prevent the RG NTD from fairly applying the process as written. The RG NTD may take
  into consideration any factor or circumstance that deems relevant.

Any changes to this document will be endorsed by the RG Program Committee and will be communicated directly to the coaches and athletes involved in the process.

In the event of an appeal, Gymnastics Canada's Appeals policy, which is in affect at the time of the appeal, will be followed.

#### 9. Team Image

Team members are expected to behave according to the GCG Team Image:

GCG wants to promote and sell a product (Canadian gymnastics) with a strong and positive image to several key groups (Canadian and foreign public, judges, media, sport organizations, etc.) during training, competitions, demonstrations and other activities.

# **10. Disciplinary Procedures**

- a) Failure to comply with the FIG and/or GCG rules, regulations, policies or directives will be addressed by the designated Team Leader who will follow with proper action or sanction before, during and/or after the competition.
- b) The nature and extent of the infraction will determine the severity of the sanction. In each case a due and fair investigation will be conducted and an opportunity for defense offered to the respondent(s).
- c) Sanctions could include but are not limited to: verbal warning or reprimand, written warning or reprimand, suspension from some team functions or activities during the competition, and early return to Canada.
- d) After the competition, sanctions could include but are not limited to: written warning, written reprimand, suspension of international representation/ participation on behalf of Canada, National Team benefits and services, and suspension of access to athlete or coaching or judging support funding and services.

# 11. Unforeseen Circumstances

In situations where unforeseen circumstances do not allow the 2017 Summer Universiade Team selection criteria to be fairly and objectively applied, the RG NTD and the GCG High Performance Director (HPD) will rule on an appropriate course of action.
