

CANADIAN TRAMPOLINE CHAMPIONSHIPS

- 1973 -

The 1973 Championships were held at York University, Toronto, at the same time as the National Gyrnastic Championships. Through some misunderstanding the results were never submitted to the championship officials and they were not distributed with the gyrnastic results. After several months of waiting and letter exchanges the results finally appeared in hand written form and our records for the year were complete ! Colin Hancock also produced a set of results all nicely typed, so we now have a summarization of winners as well.
