

CANADIAN TRAMPOLINE CHAMPIONSHIPS

1977 - Edmonton, Alberta

By Frank Juhász

The 1977 Trampoline Championships produced some amazing results. For the first time since trampoline championships were held under C.G.F. in 1971, Ontario dominated the entire meet in all events (individual, synchro and team championships).

The Individual Championships saw Diana Ford, Elizabeth Alexander and Ellen Fullerton finish 2nd, 3rd, and 4th respectively, behind Norma Lehto of B.C. All girls should be congratulated for their tremendous showing and the fine calibre of their work.

In the Junior Men's competition Dave LeVionnois was the favorite, however, he was overshadowed by the dark horse of the meet, Steve Fleming of Quebec. Both Junior Girls and Junior Boys Team titles were captured by Ontario.

The Senior Women's Division produced no surprises as Nancy Bonham of B.C. was the favorite. However, Alison Pector and Ginete Blais gave her a run for the gold medal. Both Nancy and Alison had just this year moved up from the junior ranks. No team award was presented for this category.

In the Senior Men's competition the favorites were Harry Wells and Rick Cleland, of Ontario. However, Tom Green, also of Ontario, surprised the entire crowd with one of his finest displays of trampoline routines since he left the gymnastic ranks to become a trampolinist. Harry Wells made a misue in his last voluntary routine to miss out of the medal awards, yet still managed to finish in 5th place. Again the team award went to Ontario.

Synchro Competition:

Jr. Women:	1. Ellen Fullerton and Ginete Blais	Ontario
	2. Norma Lehto and Colleen Butterworth	B.C.
Jr. Men :	1. Colin Webster and Jim Soros	Ontario
	2. David Bruce Thomson and Bobby Miller	B.C.
Sr. Men :	1. Todd Legree and Tim Cleave	B.C.
	2. Dave Ross and Alex McLaren	Ontario
Sr. Women:	1. Elizabeth Alexander and Alison Pector	Ontario

Congratulations to Ken Andreas, coach of the Ontario team, and the entire Ontario Team for winning all three gold medal team awards.
