

1980 Canadian Trampoline Championships

The 1980 Trampoline Championships were held in Alma, Quebec, at the CREPS (Regional Center for Physical Education and Sports) May 15 to 18. Trampoline events were held in a separate gymnasium, apart from gymnastics. To facilitate the entrance of spectators a section of the wall had been removed and a wooden stairway installed, probably the first time in the history of amateur gymnastics in Canada that this had been done.
