Russians are looking bad 😞 Eremina can't hit a 4.4 d Floor. Daria has better form than them but not enough difficulty and Maria fell on Amanar but it looked better air wise and Chen's was awful. This is not good.

There is still enough time before Worlds. Also, Eremina is just coming back from a year off due to injury.

You need to relax a little.

Paseka and Eremina weren't supposed to compete. They only went because the Organizers paid for their travel and requested those specific athletes. Mustafina was requested as well, but since she was slated for the European Games before her injury, Belusova took her place.

Wow, does Chuso have the DTT back? I'm assuming that's her 5.6 vault.
