ADDITIONAL NOTES:

GymCan Development Program is designed to promote gradual development by age and level in line with the Long-Term Athlete Development Model. The objective of the program is to identify and implement progressive skills to promote healthy development and longevity in the sport for athletes at the provincial level and those transitioning into National Level.

Dominant Leg defined as: the front leg in your “favourite/best” splits

This dominant leg must be:

- the front leg in any compulsory (Dominant leg) leaps (split leaps, turning split leap/jete en tournant)
- the support leg in Dominant compulsory skills with leg raised to the back (arabesque balance/rotation, penuche balance)
- the raised leg in Dominant compulsory skills with leg raised to the front (passe rotation)
- no penalties for more advanced difficulties (i.e., going on releve)

The non-dominant (ND) leg must be:

- **the support leg in all balance shapes (1B, 2A, 2B, 3B)**
- the front leg in the ND split roll (2C)
- the front leg in the stag jump (3A)
- all ND Choice Difficulties for levels 3A, 3B, 3C, and Novice are compulsory
- no penalties for more advanced/ND difficulties (i.e., going on releve)

0.30 deduction will apply to:

- missing compulsory element
- each missing ND compulsory and choice element
- un-attempted compulsory element taken by the Difficulty Judge

Compulsory Difficulties:

- if passe balance is performed on flat foot, no value will be given; however, the difficulty will be counted as a compulsory difficulty without 0.3 penalty for missing element
- **If the balances on toes are performed on flat foot, the difficulty will be devalued 0.1 as per the CoP.**
