1.0 INTRODUCTION

The purpose of this document is to set out the process and criteria that will be used by the Men's Artistic Gymnastics (MAG) Program of GymCan to select athletes and coaches to the 2023 Pan Am Games, with the goal of selecting the best possible gymnasts to help meet the objectives of the program.

The competition will take place in Santiago, Chile from October 21 to 25, 2023

1.1 COVID CONSIDERATIONS

GymCan is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact domestic nomination of athletes for this competition. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, GymCan will respect these published Internal Nomination Procedures as written.

However, situations related to the coronavirus pandemic may arise that require this Internal Nomination Procedure to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the Internal Nomination Procedure. In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow this Internal Nomination Procedure to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority, as stated in this Internal Nomination Procedure, in consultation with the relevant individual(s) or committee(s) (as applicable), and in accordance with the stated performance objectives and selection philosophy and approach as stated herein. Should it be necessary to make any decision in this manner, GymCan will communicate with all affected individuals as soon as possible.

Event Cancellation

Should it be necessary to cancel or postpone any event specified in this INP that is conducted under the authority of GymCan, such decision shall be made by the relevant person(s) or body within GymCan under whose authority the event was originally to be held.

Decisions to cancel or postpone any event specified in this document shall be made:

- a) only when absolutely necessary, such as when it has become impossible or unreasonably difficult to hold the event at all or on the originally scheduled date, for example, due to public health restrictions or other circumstances beyond the control of GymCan; and
- b) as soon as reasonably possible after GymCan has become aware that the event cannot be held.

If any event specified in this document is canceled, GymCan shall determine whether it is feasible to reschedule the event in a different location and/or on a different date than previously scheduled and shall communicate any such decisions to reschedule the event to all impacted individuals as soon as reasonably possible, taking into account the time needed for athletes to prepare for the rescheduled event and for any logistical matters in relation to the event to be addressed, including, but not limited to, any matters related to GymCan's organization of the event, as well as athlete and athlete entourage travel to the location of the rescheduled event.

GymCan may also determine, at its sole discretion, following consultation with the relevant and necessary individuals and/or committees within the GymCan structure, to hold alternative replacement events or assessments for the purpose of nomination to this competition, including virtual events, but only where feasible and where the nomination procedure indicated in this document, including the stated performance objectives, are not prejudiced.

Should any event specified in this document be canceled, postponed, rescheduled, or replaced, GymCan shall update the nomination procedures indicated in this document, as applicable, as soon as reasonably possible and shall communicate any modifications to all impacted individuals, as well as publish the modified document on its website, prior to the postponed, rescheduled or replacement event.

Decisions made pursuant to this clause shall not be subject to appeal and do not apply to the cancellation of events that are conducted under the authority of organizations other than GymCan.

Event Participation

As a result of the COVID-19 pandemic, GymCan may be required, in the best interests of athlete, athlete entourage and staff safety, to not travel to and participate in this competition, even in circumstances when the event may proceed as planned. Any such decisions will be made in consultation with relevant experts, including medical and public health safety experts, and will be communicated to all impacted individuals as soon as possible.

In such circumstances, GymCan will determine if alternate events may be attended as a substitute for the event that GymCan has decided not to participate in and, if so, will modify this document accordingly, and inform all impacted individuals as soon as possible.

When making decisions regarding travel to and participation in events for safety reasons, GymCan will endeavour to minimize any impact of such decisions. However, depending on the circumstances, athlete, athlete entourage and staff safety may be prioritized based on the advice of medical and public health safety experts.

GymCan recognizes that athletes, athlete entourage and staff may, for safety reasons related to the COVID-19 pandemic, also decide not to travel to and participate in events indicated in this document, even in circumstances when the event may proceed as planned, and even when GymCan has decided that it will travel to and participate in the event because it has decided, following consultation with medical and public health safety experts, that it is safe to do so.

In such circumstances, athletes will be responsible for any impact that their decision may have on their team qualification and domestic nomination.

1.2 OBJECTIVES

- The National Team Head Coach (NTHC).
- Depending on the number of accreditations allotted by COC, additional coaches may be selected.
- Up to two (2) funded judges

The process incorporates feedback submitted by the program athlete representative and involved athletes and coaches during a period of consultation prior to its final publication. Final approval of the team selection document is by GymCan.

The nomination of the athletes and coaches will be the responsibility of the Selection Working Group (SWG). The SWG will confirm that the athletes were nominated according to the process laid out below. The Working Group will be comprised of:

- National Team Head Coach (NTHC);

4.2 DETERMINATION OF THE COMPETITIVE APPARATUS AND COMPETITION ORDER

The determination of the apparatus each athlete will compete and the competition order for qualifications will be finalized taking into consideration the information used for the selection of the athletes and the information gathered after the selection. These decisions may be made as late as the deadline for submitting the competition order to the Organizing Committee. The GymCan staff will consult with the team and personal coaches for such decisions. However, the final decision rest with GymCan.

Any modification required to the assigned apparatus and to the competition order due to injury or illness after the team has arrived at the competition be made by the Competition Head Coach, who will inform the GymCan staff before the competition order is submitted.

As per the FIG regulations, the order of competition on each apparatus must be submitted no later than 24 hours prior to the start of the competition.

5.0 ATHLETE VERIFICATION

Verification of athletes will be on-going until the date of departure for the competition. Athletes and coaches will be notified in advance of verifications, they will receive the specific expectations for each athlete. At the time of verification, the athlete must not be injured or ill, in a way which prevents them from competing at the level expected of an athlete preparing for the competition.

5.1 INJURIES

An athlete injured or ill at any time leading up to the selection, or once the team has been selected, must provide an official medical report/certificate to the GymCan staff as set out below. Failure to do so may result in the athlete's name being withdrawn from the process or team.

Step 1. The athlete and their club's head coach must inform the IST Lead and GymCan staff by email, with acknowledgement or a read receipt from the GymCan staff **within 24 hours**, if their athlete is injured or ill in a way to jeopardize their participation or the quality of their performances at either competition and provide the following information:

1. date when the injury/illness occurred;
2. means taken to have the injury/illness evaluated by a physician or specialist;
3. date at which a written detailed report will be provided.

Step 2. The athlete and their club's head coach must provide the following typewritten information **within 5 days following step 1:**

1. detailed nature of the injury (documented by physician, not by therapist) including whether or not this is a new, overuse, or chronic injury;
2. ability to pursue full training and to compete (all apparatus/some apparatus), as recommended by the physician or medical specialist;
3. recovery/rehabilitation measures;
4. recommendation(s) regarding pursuing training and ability to train and/or compete as expected;
5. expected date for return to partial (specify) and complete training.

It is not acceptable for any athlete to arrive at a camp or competition with an unreported injury, regardless of when the injury occurred. If a condition is pre-existing, the IST member or Head Coach for the assignment or event should be notified in advance of travelling. Failure to immediately report injuries or significant illnesses to GymCan may result in NT status being withdrawn.

5.3 ATHLETE SUBSTITUTION

Following the athlete selection and verifications, the following conditions must be met up until the deadline for official submission of the start list:

1. the athlete is still eligible; and
2. the athlete is healthy and able to compete, and
3. the athlete has been successfully verified according to 5.0, and
4. the athlete is able to perform at the level that warranted their selection

The SWG, in consultation with team members and team coaches may choose to replace an athlete on the team if, following the verification, or at any time up to the date of departure:

1. the athlete no longer meets the eligibility criteria; and/or
2. the athlete is unable to meet the expectations stated for the verification; and/or
3. they omit to provide the required information in case of illness or injury as stated in section 5.1

The SWG has the authority to keep on the team an athlete who is slightly injured by the Nominative Registration deadline if:

1. the athlete and her coach complied with the steps and deadlines in 5.1; and
2. the members have gotten written confirmation from the IST Lead that the athlete will have recovered and be ready to compete before departure for the competition, at that level that warranted selection.

Failure to meet one of the above conditions as assessed by the GymCan staff may result in the athlete being replaced by the travelling reserve. Any substitution for one of the reasons mentioned above will be dealt with by the SWG. Substitution will occur with the reserve athlete if she meets the conditions mentioned above.

If based on the above, an athlete cannot participate in a competition due to injury or other unforeseen circumstance then the GymCan staff, in consultation with the athletes, team coach(es), the personal coaches, and IST member, will determine if a substitute or reserve member of the team should replace that athlete. If time permits, and it is deemed to be beneficial for the team a change will be made to the official coaching staff for the team.

The official announcement of team selection is the responsibility of GymCan. All internal verbal or written communication to athletes, coaches, or member associations regarding team selection is considered an “*unofficial notice*” and is NOT for public distribution. Official notice of team selection occurs when GymCan provides a formal public “release” announcing the team selection, or when GymCan partners with a multi-sport organization (i.e.: Canadian Olympic Committee, Commonwealth Games Canada, U Sport) to formally announce a team.

8.0 RECONSIDERATION, INTERNAL REVIEW, OR APPEAL AND MODIFICATION TO THE PROCESS

8.1 RECONSIDERATION

An athlete who disagrees with a decision made in the application of the process may request reconsideration by the SWG. The request must be made in writing no more than two working days from the day of unofficial circulation of the decision. It must include the rationale supporting the request and the alleged errors in the application of the process. The SWG will then review the request and make a decision. The GymCan staff shall give written reasons for the decision to the athlete within two working days from receipt of the written request. Coaches and athletes agree to abide by the decisions made once the reconsideration period or process has passed to ensure a positive team atmosphere.

8.2 INTERNAL REVIEW/APPEAL:

A request for review or appeal will be dealt with according to Section 39 – Appeals of the GymCan Policies and Procedures Manual in effect at the time of the dispute.

<http://gymcan.org/disciplines/nt-info>

The request must be made no more than two working days following the decision rendered as a result of a request for reconsideration as set out in 8.1. It must include the rationale supporting the request and the alleged errors in the application of the process.

Notwithstanding the above, the parties may also agree to resolve the matter using the Early Resolution Facilitation services offered by the Sport Dispute Resolution Centre of Canada (“SDRCC”).

Alternatively, GymCan and the Appellant may agree to bypass the internal appeal procedure and have the appeal heard directly before the SDRCC.

8.3 MODIFICATION TO THE PROCESS

The GymCan staff, in consultation with the SWG, reserves the right to make changes to this document to ensure the identification of the best delegation possible for the competition in case of:

- major change to the information provided by FIG.
- unforeseen circumstances beyond the control of GymCan.
- a situation which impacts any step of the selection process and prevents the SWG from fairly applying the process as written. SWG may take into consideration any factor or circumstance they deem relevant.

Any changes to this document must be endorsed by the CEO of GymCan and will be communicated directly to the coaches and athletes involved in the process. This clause shall not be used to justify changes after a competition or trials which formed part of these Internal Nomination Procedures unless it is related to an unforeseen circumstance. This is to allow for changes to this document that may become necessary due to a typographical error or a lack of clarity in a definition or wording before it has an impact on athletes.

9.0 DISCIPLINARY PROCEDURES

Failure to comply with FIG and/or GymCan rules, regulations, policies, or directives will be addressed by the GymCan staff and/or the GymCan CEO who will follow with proper action or sanction before, during and/or after the competition.

The nature and extent of the infraction will determine the severity of the sanction. In each case, a due and fair investigation will be conducted and an opportunity for defense offered to the respondent(s).

Sanctions could include but are not limited to: verbal warning or reprimand, written warning or reprimand, suspension from some team functions or activities during the competition, and early return to Canada.

After the competition, sanctions could include but are not limited to: written warning, written reprimand, suspension of international representation/ participation on behalf of Canada, National Team benefits and services, and suspension of access to athlete or coaching or judging support funding and services including but not limited to athlete, coach and/or club funds, coach's recognition funding, and international achievement coach's recognition funding.

10.0 UNFORESEEN CIRCUMSTANCES
